# Welcome to Gallaudet University

## Welcome to Spring 2009!

The staff of College of Professional Studies and Outreach (CPSO) at Gallaudet University is pleased to present our catalog of courses for Spring 2009.

Located in the heart of our nation's capital city, Gallaudet University is just a few city blocks from the U.S. Capitol and some of the world's finest museums. Gallaudet is a special place with over a century of experience providing education and enrichment programs to deaf people and individuals interested in working in deaf-owned or deaf-centric corporations, agencies, and organizations.

As you stroll our campus, you are bound to recognize and immerse yourself in the tremendous range of cultural diversity and diversity of thought that permeates our environment.

In CPSO, we design and offer programs that are intended to have an impact and can be life changing, programs that are challenging and engaging, and programs offered in a variety of formats including face-to-face, online, experiential, and hybrid.

We look forward to meeting you and welcoming you to our community. Once you've been here, we are confident you will agree that Gallaudet is a special place with talented and caring faculty and staff who are ready to serve you.

Sincerely,

Joseph J. Innes  
Interim Dean, CPSO

# Registration Information

Applicants must be at least 16 years of age and possess a high school diploma or GED equivalent to take PST prefixed courses. Graduate-level courses require completion of an undergraduate degree. A copy of your BA/BS transcript must accompany your registration. Senior high school students may be eligible to take PST prefixed courses with written recommendation from their high school academic advisor and permission of the instructor.

## Current Gallaudet Graduate and Undergraduate Students

If you are a degree-seeking Gallaudet undergraduate or graduate student interested in taking Professional Studies (PST) courses, please follow the procedures below. Tuition and processing fees are waived for full-time Gallaudet students. However, the student is responsible for lab, test, material and late fees. For part-time students, only the processing fee is waived; all other fees must be paid in full. Please write your student ID # on your application. Credits earned are not applicable toward your degree.

Do not use the application form in this catalog to register for undergraduate or graduate courses; it is for your PST course registration only.

## Consortium Students [See page 4.]

## Gallaudet University Employees

Faculty/Staff - Please follow the registration procedures below. Faculty and staff regular status, full- and part-time employees of the University are eligible for waiver of tuition, processing, and lab fees. Test, material and late fees are not waived and must be paid at the time of registration. A tuition waiver signed by your immediate supervisor must accompany your application or the application will not be processed. Your signature signifies that you have read and accepted the terms and conditions on the Tuition Waiver form.

Contract Employees - Employees working for Gallaudet University on a contract basis are not entitled to a tuition waiver and are therefore responsible for all fees. However, the employing department may pay for the class via an INTERDEPARTMENTAL INVOICE, payable to College of Professional Studies and Outreach. Please follow the registration procedures below.

## International Students [Complete the VISA INFORMATION FORM].

## All Other Students

Please follow the registration procedures below. If you are interested in taking one of the graduate-level credit courses listed in this catalog, you must provide a copy of your BA/BS transcript along with your application. Upon acceptance and registration, you will be considered a graduate special student, a category that encompasses all non-degree seeking students.

For students interested in taking a PST prefixed course, submission of a transcript is not required unless indicated as a prerequisite (see course descriptions).

## How to Register

1. Complete the APPLICATION/COURSE REGISTRATION and PAYMENT INFORMATION forms.
2. If taking an ASL or interpreting class, complete the ASL/INTERPRETER QUESTIONNAIRE form.
3. If you plan to park on campus, complete the TEMPORARY VEHICLE REGISTRATION form. (Gallaudet faculty, staff and matriculated students must go to DPS).
4. First time students should complete the Medical History and TB Risk Assessment Form and return to Gallaudet University's Student Health Services prior to starting your class.  
You do not need to return this form at the same time as your application.

5. Include full payment. Make your check or money order payable to Gallaudet University or enclose a signed Tuition Waiver, VR Authorization, or Purchase Order in lieu of payment. If paying by credit card, you can fax completed forms to 202.651.5987. We are unable to accept registrations by phone.

## Application Deadline

The application deadline is two weeks prior to the start of class. Depending on class availability, applications **may** be accepted after the deadline, but there will be a \$30 late fee assessed.

## Confirmation of Enrollment

Confirmation will be mailed or emailed to you upon approval of your application. This is your proof of enrollment. Contact the College of Professional Studies and Outreach at 202.448.7272 (tty/v), 202.651.5987 (fax), or email professionalstudies@gallaudet.edu with any questions regarding your registration.

If you are not a current Gallaudet University student or employee, a temporary ID will be provided at your first class. Temporary IDs are not provided for students who are only taking online courses.

## Course Cancellation

Gallaudet reserves the right to cancel classes due to insufficient enrollment. Course cancellation decisions are made by the registration deadline. We must be able to contact you to provide information and alternative class options. It is critical that your application include your phone number and/or email address.

## Payment Procedures and Types

Full payment must accompany your application. Payment may be made by check, credit card (MasterCard or VISA), or money order.

## Tuition Waivers

(For Gallaudet faculty, staff and qualified family members) A completed TUITION WAIVER FORM must accompany your application. Please be sure to obtain the appropriate signatures and review the terms and conditions carefully. Satisfactory course completion is defined as a grade of "C" or better for PST level courses, "B" or better for graduate level courses, or "pass" if under a pass/fail grading system. Unsatisfactory completion of your course will require you to reimburse the University the full amount waived. Tuition waivers cannot be used to audit courses.

## VR/Employer-Paid Tuition

If your tuition will be paid by VR or your employer, the appropriate paperwork must accompany your application.

# Academic

## Adding or dropping courses

Failure to formally drop a course will result in a final grade of 'F'. You may drop a class within the first week of class. An ADD/DROP form is required. After this time, you must use a COURSE WITHDRAWAL form (see WITHDRAWALS). A course is not considered officially dropped until an ADD/DROP form is submitted. Courses which are dropped will not show up on your transcript.

## Audits

Students must obtain permission from the instructor, prior to registration, to audit a course. ASL courses are not available for audit. Tuition waivers cannot be used to audit a course. There is no reduction in tuition.

## Grade Reports

Grade Reports are mailed to students at the close of each semester using the student's mailing address as provided on the registration form.

# Registration Information

## Incomplete (“INC”) Grades

Incomplete grades must be arranged and approved by your instructor and are given only under extenuating circumstances. Receiving an INC on your grade report allows you to complete the course the following semester as outlined by your instructor. Failure to complete your course will result in a final grade of “F.”

## Transcripts

Transcripts of academic records may be obtained from the Registrar’s Office upon written request. Complete the transcript request form at <http://registrar.gallaudet.edu>.

## Transferring Credits

If you wish to transfer Gallaudet credits to your home institution, you must obtain approval from your home institution, prior to applying, to ensure that the credits will be accepted.

## Types of Credits

Undergraduate credit courses do not have a PST prefix and are numbered less than 700 (ex: EDU 495). In general, these courses may be applied to Gallaudet University degrees or certificates.

Graduate credit courses do not have a PST prefix and are 600 level and above (ex: EDU 795). In general, these courses may be applied to Gallaudet University graduate degrees or certificates.

Professional Studies (PST) credit courses have a PST prefix (ex: PST 723) and may be considered as transferable credits to other institutions.

They are not counted toward a degree at Gallaudet. PST courses will appear on separate grade reports and transcripts. Some PST courses are offered as clusters that lead to professional certificates.

## Withdrawals

Students must submit a request to withdraw from a class in writing. Withdrawal deadlines are listed with the schedule of classes. Please note that there will be no refund of tuition and fees. You may send your request to: [professionalstudies@gallaudet.edu](mailto:professionalstudies@gallaudet.edu), or (202) 651-5987 (fax). A “WD” will appear on your transcript. Responsibility for following these procedures rests with the student. Failure to formally withdraw from a course will result in a final grade of “F.” The **WITHDRAWAL** form can be found on page 33.

## Financial

### Late Fee

\$30. A late fee is charged on all registrations received in our office after the registration deadline. This is in addition to the processing fee.

### Other Fees

Check under each course description for test, material or lab fees.

### Parking Fee

\$10. This fee applies to part-time Professional Studies students only (see information under **CAMPUS PARKING**, page 6).

### Processing Fee (Per Semester)

\$30. All students (with the exception of Gallaudet consortium students, currently enrolled undergraduate/graduate students, faculty and staff) must pay the processing fee.

## Refunds

Refunds are processed within four weeks from the first day of class. Refund requests must be submitted in writing and **received by the registration deadline for the course**, otherwise no refund will be issued. Processing and material fees are not refundable. Full refunds are automatically processed for courses cancelled by the University.

## Returned Check Fee

\$50. A fee will be charged when a check is returned for non-payment. Payment must then be made by money order or credit card.

## Tuition (per credit)

Unless otherwise indicated under each course description, tuition is as follows:

Graduate	\$ 663.00
PST	\$ 185.00

International students are subject to an additional surcharge of 100% of tuition. Tuition for international students is as follows:

Graduate	\$ 1,326.00
PST	\$ 370.00

## CONSORTIUM STUDENTS

Students registering for courses through the Consortium of Universities of the Washington Metropolitan Area do so through their home institution and pay that institution’s tuition fees.

Please follow the REGISTRATION STEPS below. All classes held on campus will be conducted in American Sign Language unless otherwise specified in the course description. Students registering for an ASL or interpreting course must also complete the ASL/INTERPRETING QUESTIONNAIRE.

### REGISTRATION STEPS:

1. Register through the consortium office at your home institution. Once your cross-registration has been approved, you will also need to complete the ASL/INTERPRETING QUESTIONNAIRE form if registering for an ASL or interpreting class. This form is to be submitted to your consortium coordinator.
2. Your home institution will then send a copy of your consortium card and, if applicable, your ASL/Interpreting form to our Registrar’s Office.
3. You will receive confirmation of your registration from the College of Professional Studies and Outreach. This confirmation will include the location of your class. If you do not receive confirmation of your registration, send an email to [professionalstudies@gallaudet.edu](mailto:professionalstudies@gallaudet.edu) or call 202.448.7272 (tty/v).

The Department of Public Safety is located on the ground level of Carlin Hall. Public Safety officers are on duty 24 hours a day, 365 days a year. Officers patrol the campus on foot, on bicycles, and in marked and unmarked vehicles. Cameras are strategically placed across the campus and are there to discourage crime and to help the Department safeguard the community. Emergency alarms are also located across the campus. These highly visible, "blue lights" can be used to summon public safety officers to the scene of a police, medical or fire emergency.

## ASL Class Placement

ASL classes at Gallaudet University may not be equivalent to classes you have taken at other locations. To ensure that you are placed in the class that best meets your needs, review the course descriptions and select the one that seems to fit your current skill level. Use the ASL/Interpreting Questionnaire as a guide and make sure to include it when you send in your registration forms. Adjustments to your registration may be made based upon the information you provide in your questionnaire. If you would like assistance in selecting your class, we offer the following class placement screening dates:

Language Planning Institute/ASL Programs  
January 22 and 23; 10:00am-12:00pm  
HMB E111

Class placement screenings are conducted on a first come, first serve basis. Screenings are not needed if you are registering for VGC or special topic courses. If you are unable to stop by for screening, your instructor will verify your class placement during the first week of class. Based on the instructor's recommendation, you may be moved to a more appropriate class level at that time.

If during the first week you feel the class is overwhelming, please notify your instructor. If a change/transfer to another class level is necessary, you will go through the add/drop process and then report to your new class. No changes in class assignment will be made after the first week.

## Campus Information

### Bookstore

The Gallaudet University Bookstore is located in the Student Union Building (SUB). Regular hours are Monday - Friday, from 9:00 a.m. - 4:30 p.m. Personal checks and credit cards are accepted. A valid driver's license and a Gallaudet University ID must be presented if paying with a personal check.

### Campus Parking

All vehicles on campus must be registered with the Department of Public Safety (DPS) and display a parking permit at all times. Parking for regularly-employed faculty and staff and full- or part-time students is allocated in zones designated as faculty/staff parking or student parking. Parking for handicapped individuals is designated in assigned areas. Zone parking is in effect from 7:30 a.m. to 3:00 p.m. Monday - Friday. Part-time Professional Studies students who will be parking on campus may elect to obtain a parking permit for the semester for \$10.

If you are planning to park on campus, you must complete the TEMPORARY VEHICLE REGISTRATION form. Return this form with payment when you submit your application and registration forms. A parking permit will be given to you along with your class registration confirmation and temporary ID. All unregistered or illegally parked vehicles will be ticketed. Failure to display a proper parking permit will result in a fine.

The University assumes no liability for loss of or damage to personal vehicles and items left within them or for personal injuries that may result from the use of a vehicle on campus.

### Holidays (No classes)

Spring Break: March 16 - 22, 2009

### Shuttle Service

Gallaudet transportation offers shuttle bus service to and from Union Station and New York Ave-Florida Ave-Gallaudet U metrorail stations, the two closest Metro subway and train locations. You must have a valid Gallaudet ID to use the bus. A link to the shuttle bus schedule is posted at <http://gallaudet.edu/af/transportation.xml>.

### University Closure

Information regarding the University closures due to inclement weather or an emergency can be found by going to <http://alert.gallaudet.edu>. You can also subscribe to Gallaudet Alert by going to ITS.Gallaudet.edu under Quick Links, click Gallaudet Alert, and follow the directions posted

Decisions about a change in the University's operating schedule take into

consideration Gallaudet's responsibilities to the students and others we serve, as well as weather reports and information about road conditions on and off campus. The decision to delay opening or to close the University is first announced on the Gallaudet website. An announcement is then placed on the University's main and weather recording lines 202.651.5000 (TTY/V) and 202.651.5656 (TTY). Gallaudet's Department of Public Safety will also begin calling local television and radio stations, but keep in mind that there is usually a delay before the information is added to area broadcasts. If the University is closed on Friday, Saturday classes will also be cancelled.

### University Liability

The University is not responsible for loss or damage to student property or harm to students. If you suffer a loss, please notify the Department of Public Safety.

### Peter J. Fine Student Health Center

All students attending classes on campus must provide a completed **MEDICAL HISTORY AND TUBERCULOSIS RISK ASSESSMENT FORM** which should be sent directly to Gallaudet University's Student Health Services. The **TUBERCULOSIS RISK ASSESSMENT FORM** will let you know if a tuberculin skin test is needed. In addition, all students must provide documentation of immunization from Tetanus/Diphtheria.

Compliance with the District of Columbia law also requires that all students under the age of 26 provide documentation of immunity from Measles, Mumps, Rubella, and Varicella and students under 18 to be vaccinated against polio.

It is mandatory that you receive your immunizations before beginning your class. Current Gallaudet graduate and undergraduate students should already have a **MEDICAL HEALTH HISTORY FORM** on file. Questions about immunization requirements can be directed to [SHS@gallaudet.edu](mailto:SHS@gallaudet.edu).

### Security

The Department of Public Safety (DPS) is located on the ground floor of Carlin Hall. DPS staff is on duty 24 hours a day and available for assistance and emergencies.

### Library

The Library at the Merrill Learning Center (MLC) maintains one of the most comprehensive collections on the subject of deafness in the world. The schedule of library hours will be posted in the MLC and at <http://library.gallaudet.edu>. Your Gallaudet University temporary ID card gives you library privileges.

## Online Course Information

### What is it like to take an online course?

At Gallaudet, we call our set of online learning technologies GDOC, which stands for Gallaudet Dynamic Online Collaboration. We use Blackboard technology to support our online courses. Typical elements of online courses include:

- \* asynchronous, frequent student and faculty participation through email and electronic discussion boards
- \* assigned readings, which may be either through electronic texts or paper
- \* individual and group assignments and papers which can be posted online
- \* use of online library resources at <http://library.gallaudet.edu/lr/how-to.html>
- \* online quizzes and examinations
- \* guest lecturers using webcasts

Online courses at Gallaudet are taught by internationally known Gallaudet instructors and are as rigorous as our face-to-face versions. Good time management skills are essential to succeed in these web-based courses. The experience of participating in a Gallaudet online course is highly interactive and learner-centered. Each time you “attend class” (you should expect to log on a minimum of 3 to 5 times per week), you find a discussion in progress. The instructor can offer content overview, lectures and web-based resources, ask and answer questions, give assignments, assess your progress and give feedback through your online course and email. Fellow students discuss topics by posting comments, questions, and observations—even funny stories from time to time—just as in a traditional classroom. Your responses and contributions become part of the ongoing interaction and are an essential part of the learning community our online courses foster.

### Computer Requirements

A Mac or PC computer with access to the World Wide Web capable of running Netscape Navigator 7.0 or higher or MS Internet Explorer 6.0 or higher is necessary for participation in our online courses. The recommended operating system level is Windows 2000 or higher for PC or OS 9.2 or higher for Mac.

Check to see that your web browser meets the following minimum technical requirements.

- \* Microsoft Internet Explorer 6.0 or higher
- \* Netscape Navigator 7.0 or higher
- \* JavaScript must be enabled.
- \* Cookies must be enabled.

For more specific information, see the Certified and Compatible Browsers Chart below.

If you use AOL as your internet service provider, please remember to close AOL's proprietary browser and open Internet Explorer instead to access your online course. The AOL browser may not be able to display your online course information correctly.

To see the full range of technology services available to you, you should review the Technology at Gallaudet Guide (<http://elearning.gallaudet.edu/techguide>). Students are responsible for obtaining their own Internet access and are expected to have basic computer and internet literacy prior to the start of the course.

### Certified and Compatible Browsers

**Blackboard Learning and Community Portal Systems™**  
Client Browser Configurations

			Microsoft® Internet Explorer					Netscape® Navigator®						
			4.5	5.0	5.0	5.2	5.5	6.0	4.76	4.77	6.0	6.1	6.2	7.0
	Microsoft Windows®	Windows 2000		X				X	X		X			
		Windows XP						X					X	X
	Apple® Macintosh®	Mac® OS 9.2		X	X					X				X
		Mac OS X.1			X	X							X	X
		Mac OS X.2				X								X

Generally, Internet Explorer 5.5 is the preferred browser for accessing our online courses. Blackboard's recommended browser versions are shown above. Client Browser configurations marked with an "X" are Certified. Certified configurations have undergone a thorough set of testing by Blackboard Quality Assurance. Configurations that are blank are considered to be compatible (no major known issues). If possible, please upgrade to one of the certified browser versions. If you have a PC, you should perform a WINDOWS UPDATE to ensure you have the most recent version and updates. (Open Internet Explorer, go to TOOLS, click WINDOWS UPDATE, then check all the options. If you are doing this on a dial-up connection, this update may take a while.)

### Gallaudet Email

You will be provided a Gallaudet email account. All communication will be directed to this account only. If you prefer to use your home email account (aol/hotmail/yahoo, etc.), you may forward your Gallaudet account to it.

### Technical Help

Integrated Technology Helpdesk: <http://helpdesk.gallaudet.edu/> is Gallaudet's "one stop shop" for technical information or assistance. You will use your GDOC account to log in.
